

SELECTION VARIETALS RANGE

A selection of the better-known international grape varieties, with Pays d'Oc designation and French-style profile.

“ I'm looking for a well-made varietal wine with richness and good structure, made from sustainably-farmed grapes, with packaging that conveys a certain French elegance.”

A LONG-STANDING NETWORK OF PARTNERS

Thanks to our **long-standing network of partner-wine growers**, Maison Castel is able to track grape ripeness in the selected plots and our winemakers are involved in all stages of the vinification process on a daily basis. This **hands-on approach** ensures the quality of the wines in this range.

PRECISE QUALITY MANAGEMENT

The company's winemakers oversee the vinification process to produce wines that are faithful to the **typicity of each grape variety**. The Maison Castel teams devise a plan, and parcel selection is done for each of the different varieties in accordance with the profile desired, followed by careful canopy management to get the **best concentration and ensure optimal grape development**.

AN ECO-FRIENDLY RANGE

Maison Castel is committed to eco-friendly, sustainable wine growing via its affiliation to the reputed **Terra Vitis®** certification and a **minimal intervention approach to viticulture**.

FINE, ELEGANT WINES

The **engraved bottle signed by winemaker Cédric Jenin** reflects the **elegance of the wines** in this range.
